

Why Choose LCI English Schools?

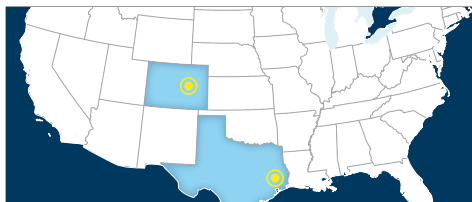

Five great reasons to select LCI for your English program in the USA

1. CEA Accreditation

Accreditation is an important way to ensure the quality of an English school, but not all accreditation is the same. LCI is accredited by CEA (Commission on English Language Program Accreditation), **the only specialized accrediting agency for English language institutions in the USA.**

2. Multiple US Locations

With several English schools in the USA, you can study in the location of your choice—from a medium-sized city near the mountains to a large city near the coast—while being assured of the same LCI quality at every school.

3. University Partnerships

We make it easier for international students to attend university in the USA. LCI has over 30 university partners nationwide that provide conditional admission and TOEFL/IELTS waivers to our Academic English Program graduates.

4. Quick I-20 Processing

Other schools may take several weeks to provide an I-20 form for your student visa, but LCI issues I-20s to our students in just 24-48 hours. That makes it easier to get started on your goal of studying English in the USA.

5. Student Success

LCI's professional and caring team works hard to create a comfortable and effective learning environment. Our mission is to provide language development and intercultural experiences to help our students achieve their personal, academic and professional goals.

“I think this school is so great. I am very thankful to LCI and I highly recommend it!”
